# **Circular 12 of EPA 2021 – 28.06.2021**

Dear Members

## **NMB 10KM SERIES**

The last leg of the NMB 10km series took place last Saturday. Covid regulations forced us to change the event to a Prestige event at the last minute. It was a great success, and we wish to thank those that were unable to participate for their understanding and continued support.

Well done to Melikhaya Frans (0.28.49) and Zintle Xiniwe (0.36.42), the overall winners of the event.

The Road Running Series was a huge success despite the limitations to numbers, and some great performances were achieved by our athletes.

Thank you to NMBM for the sponsorship and continued support, and thank you to Irene van Eeden & Michael Mbambani for all the hard work they put in, to ensure the successes of the series. Thank you also to all the clubs that formed part of the various LOC's.
