Circular 21 of EPA 2022 - 21.06.2022

Dear Members

As we move closer to becoming a professional organization with world class service. We continue to test various models on what is the best from an operational point of view. Changes are made to the way our administrative capacity will best serve you; are being made and implemented.

These changes will be communicated in due course. The first of these changes will be cleaning up all the different email addresses used. The second change will be operational hours (please refer to Office hours in the circular)

Going forward please only use epadmin@pe.co.za for all correspondence to the office

Please note that closing dates for proposed fixtures must reach us by the end of July
